Customized Steam Solution Providers Using the Technology of Tomorrow...Today!

- ✓ Do you have doorway limitations?
- ✓ Limited "footprint"?
- ✓ Need a tank with special tapings?
- ✓ Or perhaps a uniquely shaped steel tank?
- ✓ Need a design approach that spreads the purchase cost over multiple years?

...then you need a custom-built unit!

Most models in any of the product lines can be custom-built to meet the unique requirements of the end user. If an existing model cannot meet your requirements, SHIPCO® will partner with you to custom design a product that does. We offer tanks, either vertical or horizontal configurations, with flat, dished, or code heads, floor mounted or elevated plus all the necessary accessories.

- ☑ Lowest Inlet Tanks
- ☑ 2 Ft. NPSH Pumps
- ☑ Large Variation of Cast Iron Receivers
- ☑ We Manufacturer Our Own Pumps

BUY AMERICAN!

Our pump castings are poured in the USA and all products are designed and manufactured in Shippensburg, Pennsylvania.

Contact your
local SHIPCO®
representative to
discuss ordering a
custom-built product
for your specific
application.
